

GLÖTZL Baumeßtechnik

Pneumatic Cells Series 3

Type P3 ER 5 Press-in Pore Water Pressure Cell

- ✓ Small construction
- ✓ High accuracy
- ✓ Longevity

- ✓ No zero point- and range drift
- ✓ Load range 0-20 bars
- ✓ Stainless steel model

P3 SF Standard Pore Water Pressure Cell

- ✓ Modular principle

Valve part

Press-in filter

Sintered metal

Ceramic

Filter

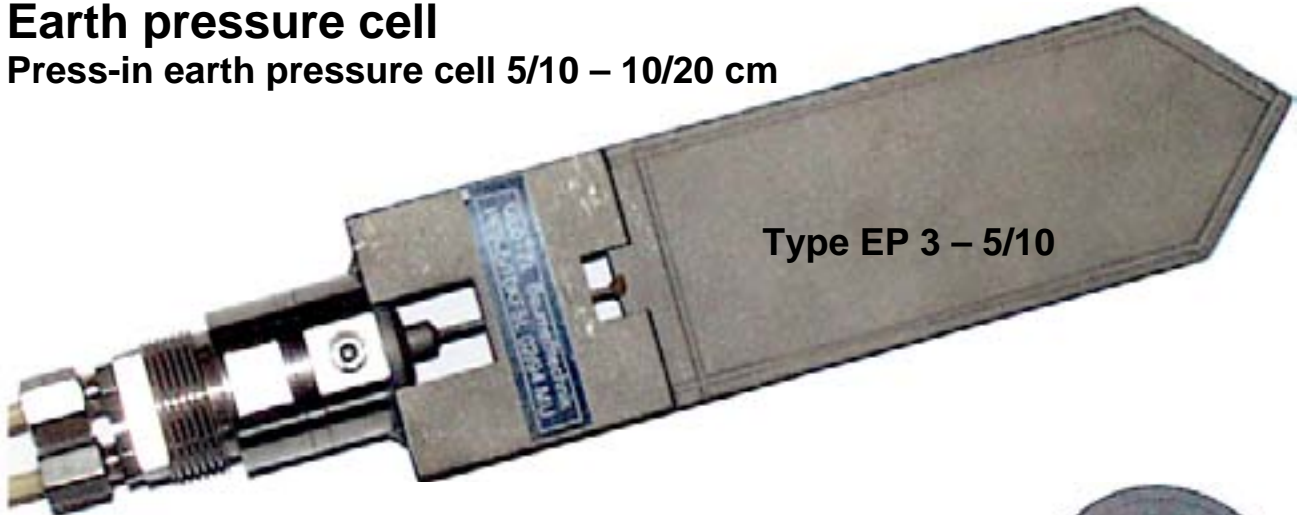

**Standard settlement transducer
S 3 – SP**

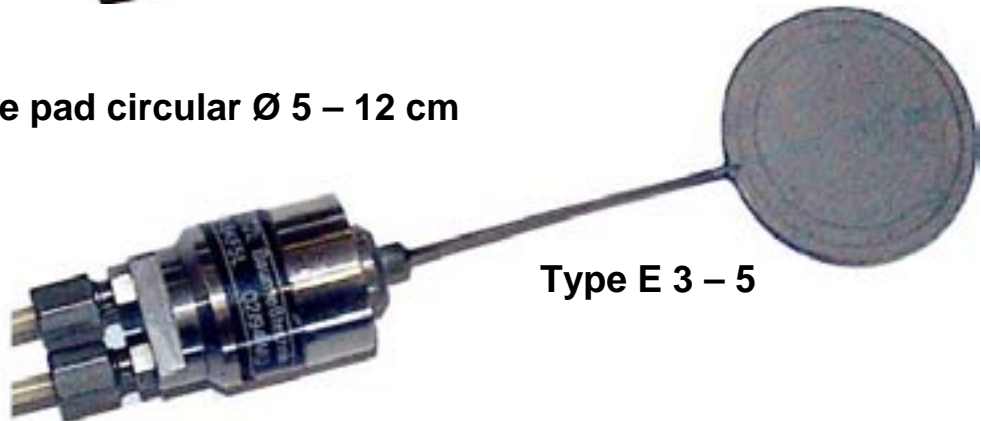

**Press-in settlement transducer
S 3 – SS**

**Earth pressure cell
Press-in earth pressure cell 5/10 – 10/20 cm**

Standard pressure pad circular Ø 5 – 12 cm

Standard pressure pad 5/10 – 10/20 cm
